### *What is Seattle Game Night?*

At ETX, we strongly believe in the ability of tabletop games to connect and grow communities. On Friday, June 2nd from 6:00 PM-11:00 PM, in the heart of the bustling Seattle Center, we'll be hosting a game night open to the general public — whether they have a badge or not. Join us in introducing tabletop games to the public and showing just how welcoming and enriching our community can be!
